**REQUEST FOR RE-MAILING OF OFFICE ACTION  
RETURNED BY U.S. POSTAL SERVICE**

Applicant has just discovered through the USPTO PAIR web site that an Office Action that was mailed in the captioned Application on November 2, 2005 was returned to the USPTO by the U.S. Postal Service. The six-month statutory period for response will expire on May 2, 2006, leaving Applicant insufficient time to consider and respond substantively to the Office Action.

**Applicant hereby requests that the Office Action be remailed and that the period for response be restarted from the date of remailing, as is provided for in MPEP § 707.13.**

Applicant did not receive this Office Action through no fault or omission of Applicant. Applicant has maintained a current and correct mailing address in the USPTO in the captioned Application, and so the return of the Office Letter by the US Postal Service is apparently due to the fault of the US Postal Service or the USPTO.
